# Heaven INVADING EUROPE

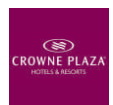

All across Europe there is a cry from the wider church, that Europe shall be saved.

Ministries from across the Globe are targeting the continent of Europe with resources to equip the Body of Christ and see the end-time harvest of souls come into the Kingdom. Now there's an expectation that Heaven is invading Europe with the power and presence of the Holy Spirit. Gather with us for this life-changing conference and get ready to be refreshed, restored and activated for the greatest days the church will ever know.
