

Leeds Faith in Fostering

Did you know that
Leeds has 1280
children and young
people in care.

Between May 2019 – April 2021 Leeds City Council Fostering Department (foster4leeds) will be running the #faithinfostering initiative.

Over the next 2 years we are hoping to encourage 100 families from faith based communities across our city to come forward and enquire about becoming a:

- Full time foster carer (short term and long term)
- Part time foster carer (1 weekend per month)
- Disability foster carer (short term and long term)
- Supported lodgings provider (independence training placement for young people 16+)
- Rent a room provider (for young people 16+)

If you would like to know more then please come to our Faith in Fostering Hub information event.
Saturday 23rd November 2019, 1pm – 3pm.
CATCH, Hovingham Avenue, LS8 3QY.

To book a place please email
faithinfostering@leeds.gov.uk
