## REVD DR INDERJIT BHOHAL

Former President of the British Methodist Conference and Founder of the City of Sanctuary network and movement, Revd Dr Inderjit Bhogal is passionately committed to justice in immigration, especially for people seeking sanctuary and refugees.

## CITY OF SANCTUARY

Inderjit will tell the story of City of Sanctuary as a way of building welcome, hospitality and safety since it was founded in 2005. The movement has embraced universities, schools, churches, theatres, libraries and maternity wards and has developed to face the new challenges of greater international displacement of people and the climate catastrophe.

## THE HOOK LECTURE

The Hook Lecture is a collaboration between Leeds Church Institute, Leeds Minster and the University of Leeds School of Philosophy, Religion and History of Science. Named in honour of Dr Walter Hook, the founder of Leeds Church Institute, the theme of religion and public life runs throughout the series. It is open to everyone, and will be engaging and accessible for the public and academics alike.
